<b>Have you applied for a Fellowship for 2022? If yes, please specify:</b>		
<b>Name of the Fellowship:</b>		
<b>Status (Pending or Awarded):</b>		

\*How do I calculate my final-two-years GPA?

Include only courses in your final two years (third and fourth year) of undergraduate studies. GPA calculator (only for Domestic): <http://www.duels.ucsb.edu/advising/policies/gpa-calculator>

\*\*Choose an academic major closer to your research interest. See the Materials Department Research Website: <https://www.materials.ucsb.edu/research>

\*\*\*See the Materials Department Faculty Webpage: <https://www.materials.ucsb.edu/people/faculty>
